

Helping women & girls to

★ LIVE THEIR DREAMS

Providing women and girls with the access to education is the most effective way to help them reach their full potential and live their dreams. When women and girls are educated, they have opportunity, choice, and power to make healthy decisions for themselves and their families.

Live Your Dream

Education and Training Awards for Women give education grants to women who have overcome enormous personal obstacles including poverty, sex trafficking and domestic violence. Award recipients go on to enjoy improved employment prospects, greater earning potential, higher self-esteem, and serve as positive role models for their children.

Dream It, Be It

Career Support for Girls provides high school girls with tangible strategies to accomplish their career goals and helps girls who face steep challenges like poverty and unstable home lives. It provides girls with tools to make educated choices and plans for their futures, giving them hope and confidence.
